

P SHANKAR

Raichur, Karnataka, India | shankarsourav400@gmail.com | linkedin.com/in/p-shankar-912463295 |
github.com/shankar-uxcloud | Full Stack Developer | AI Enthusiast

Professional Summary

Computer Science Engineering student building practical experience through self-directed web development projects, with a focus on JavaScript-based tooling and applied AI features. Currently strengthening core programming fundamentals in Java and Data Structures & Algorithms while maintaining an active public GitHub with multiple deployed, working projects.

Technical Skills

Languages: Java, JavaScript

Technologies: React.js • Node.js • Express.js • MongoDB • Socket.io • JWT • Tailwind CSS • HTML5 • CSS3 • REST APIs • Git • GitHub • VS Code • Google Gemini API

Projects

Developer Collaboration Platform

React.js, Node.js, Express.js, MongoDB, Socket.io, JWT, Tailwind CSS

- Developed a full-stack collaboration platform enabling software teams to manage projects, assign tasks, communicate in real time, and track development progress.
- Implemented secure JWT authentication with role-based access control and RESTful APIs using a modular backend architecture.
- Designed file sharing, commenting features, and scalable MongoDB database architecture for collaborative workflows.

AI Resume Analyzer

React.js, Node.js, Express.js, MongoDB, Google Gemini API, PDF Parser

- Developed an AI-powered resume analysis platform that evaluates resumes against job descriptions and generates ATS compatibility scores.
- Integrated Google Gemini API to provide AI-powered resume feedback and personalized improvement suggestions.
- Implemented PDF upload, parsing, skill-gap analysis, and downloadable analysis reports.

Social Networking Platform

React.js, Node.js, Express.js, MongoDB, Socket.io, JWT

- Designed and developed a social networking application supporting user profiles, content sharing, and real-time communication.
- Implemented secure authentication and authorization using JWT with role-based user management.
- Built features including posts, likes, comments, follow system, private messaging, image uploads, and notifications.

Education

Navodaya Institute of Technology, Raichur

Bachelor of Engineering — Computer Science Engineering (CSE)

CGPA: 9.03

Raichur, Karnataka, India

September 2023 – Present

Achievements

- Gold Medalist – Awarded First Rank for outstanding academic performance in the 4th Semester of the Computer Science Engineering program.
- Participated in INNOVATEX 4.0 (UI/UX Pixel Craft), a team-based hackathon hosted by Presidency University, gaining hands-on experience in product design and collaborative problem-solving.

Certifications

- AI Foundations

2026

GitHub

- github.com/shankar-uxcloud
- Open-source projects showcasing full-stack web development, AI applications, and modern JavaScript technologies.
